Click the 7th icon with the light blue arrow on the top tool bar to upload data for the report

Then navigate through your files to the files you got from the machine SD card, if the patient uses their unit in APAP mode the file they are looking for ends with .ape whereas if the patient uses their unit in CPAP mode the file they are looking for end with .cpe

If they can't see the file they need to make sure they have the correct one listed in this drop down while looking for the file
